# Crescia

## What is crescia?

Crescia is a kind of unleavened bread that, at the time of the Umbrian, was cooked on a stone slab called "panaro". In more recent times the "panaro" was replaced by a iron disc, it is served with cold meats, rilled meat or vegetables and can be the substitute of bread....Now you just to try it!

<b>Empty crescia take-away</b>	€ 8,00
--------------------------------	--------

# Brustengo

## What is brustengo?

It is a typical "fried bread" of the territory of Gubbio, the Brustengo is often served as an appetizer and accompanies the tasting of cold cuts and cheeses. The Brustengo comes from the poor Eugubine cuisine and is now one of the most sought after traditional products.
